Dear Branch Saints,

As we shelter at home, we need to remember that we are all as believers Sheltered by the Almighty God. We are also sheltered by the Wings of Angels and the love of Jesus.

Children of Jesus gather to him now and seek his presence and listen to his instruction and love. Care for those around you; Activate your prayers and giving; risk to love greater and by all means be encouraged in these days and the unknown.

At this time, we are asking our members and guests and prospects to participate in the following:

- Focus on prayer instead of panic.
- Read God's Word daily and Pray
- Check on Family and neighbors and friends, especially the elderly via phone or doorstep visit.
- The Church at Redd's branch is maintaining office hours 9 to 1 pm Monday through Thursday for your convenience and please call for assistance if needed.
- If you need prayer you may schedule an appointment with Pastor, and he will be happy to encourage you via the phone or in person. (using safe contact and conversation practices).
- We have a Bible Study packet for Children available for you to pick up. Please let us know the number you need in advance by calling the church office. 803-648-3194
- Web page and Facebook page will be a part of the communication thread during this window of time.
- An "audio" publication of the Lord's Day Message will be available on our church website as well as on CD for you to receive if requested.
- The pastor will also be out in the afternoon with a "PRAY and GO" Response to the membership of the church and our prospects.
- The Leadership team is asking you to mail in your tithes and offerings each week so that we can continue to minister to the membership and community and World in which God has placed us.
- You may also drop you tithes and offerings off during the above time.
- Other plans are being developed to restart the Physical Services at the church on April 5, 2020 unless the situation worsens, and we are advised by health people to avoid gatherings at the levels now seen.

Again, we urged you to not panic and take your needs and the needs of your family and community to the lord in Pray, Fasting and more Prayer....

We see that God is moving and is actively engage in our protection and provision!

Let us Pray:

Dear Jesus, we ask today for your mercy and for forgiveness for not taking you seriously over the years of your blessings and provisions. We ask now that you would deliver your people from the dreaded virus that is in our world today. The virus of SIN that plagues the souls of men and women boys and girls. We ask now that you would deliver your people from the greed and from the deadly decisions we make on our own.

Revive us O Lord in your wonderful mercy and love and Grace. We ask you that you would deliver your people from the anxiety and fear that has assaulted the world we live in. Rebuke the devil in our lives and in the world today in the name and the Blood of Jesus.

Give the political leader the wisdom to seek YOU oh God not their own wisdom which is evident in past to be misguided and of worldly influence of mankind.

Now dear Jesus make us an instrument of your peace to all mankind and in our own little universe in which we live. Love on me again and show you glory of your mercy and faith as in the days before.

In Jesus name we pray and seek,

Psalm 5:11

Psalm 27:5

Psalm 31:20

Psalm 55:8

Psalm 61:4

Psalm 119:114

Psalm 121:5
