

### **Pastor on the Road**

On Tuesday March 24 your pastor began his visits in a new format during this unprecedented time in the life of our church and community.

Done by so many in the pizza business, so why not, Pastoral Care Ministry...

The delivery service is a simple items of practicality and hopefully meaningful!

#### **In "My Pizza Box" will be the following:**

A copy of God's Word

A name of the place of delivery!

The people inside the house of the delivery.

A Solution from God's Word for fear.

A Calendar of Hope

A Song for the time we live

Joy in my heart for those inside the place of delivery!

A Prayer for mercy for those inside!

A prayer for safety and wellness for those inside!

A prayer for you!

And I hope you will look out the Window and Light up my face with your face...for we are alive and well in JESUS!

#### **This will be happening in the following fashion.**

Between the hours of 2 and 4 PM; My beige Chevrolet Silverado or RBBC white ford van will be parked in your driveway for a brief time. I will blow the horn 3 times and in my time there will pray for you, with eyes open, and look to delivery your "pizza box" heart to heart of the 10 items above.

**No need to come outside but just for you to know that pastor is there and really praying for you during this time.**

As the days of confinement go by I hope I will be able to visit in a more perfect way in the weeks to come. However, if that time comes before the confinement time ends then I may not make it to your driveway.

I am estimating about 50 homes in the Pizza Delivery effort.

**Call the church office  
if you do not wish for me to come by.**
