

My wife, Branda and I, left Redd's Branch in 1987 to follow the calling of our Lord in Worship Leader and Organist ministers. We served in 3 different churches in the Aiken/Augusta area over the next years.

We returned to Redd's Branch with expectations of retiring and serving where we could in our home church. Well, the Lord had other plans for our lives. After being back home for 2 months a need arose for a music director. We agreed to serve after being approached by the Pastor and Deacons.

We enjoy our service to the Lord and His people at "The Branch". Must be like my Dad (*Baptist Minister*) said *"better to burn out for the Lord, than rust out for the devil"*.
